Respected maam/ Sir,

I am here to request cancellation of my voters registration in the state of Pennsylvania Allegeny county as i am not a US Citizen. I moved from Wisconsin in 2012 and while going through the driving license Pondot process i had ^{unknown} inadvertently registered myself due to System issue. I remember to have registered as Law-full reg resident but ineligible for voting rights. My understanding is that the registration was an System Error and thereby request to kindly Cancel my voters registration.

Apologies if this causes any administrative Overhead.

Thanking you for the due consideration.

Sincerely & respectfully

(Devanathan Sundaramurthy Mudaliar)
